PRODUCT SPECIFICATIONS

WEIGHT	WIDTH*	LENGTH	UOM
STANDARD 0.6 MIL	12.4 ft.	300 ft.	Roll
HEAVY 1.25 MIL	15.8 ft.	300 ft.	Roll

* Wider widths available

INSTALLATION GUIDELINES

The key to successful application:

- + Drape the cover over the plant material and securely pin to the ground
- + Use rebar and/or shoveled soil to fully and firmly maintain contact with the ground to seal in ground heat and keep the wind off the plant material.
